Acorn Park - Weekly Roundup

Happy Friday everyone! We hope you have had a good week.

Congratulations to the pupils who visited ROARR! this week. The staff at the park came to find us at the end of the day to say how impressed they were with the students' behaviour and to say how well behaved and polite the students had been. Such lovely feedback.

The whole of Kerr Class are nominated this week. In class, they spoke about how we are special and what makes us special. Most of our students could tell us (not wearing ear defenders, being good at singing and being polite, being a good friend) and understood that everyone is different but still special in their own way. We like to celebrate our individuality at Acorn Park and are pleased that the pupils do too!

Our teacher of Dahl Class, Louise, has been nominated by a colleague this week, who says is reflective and proactive in wanting to ensure her pupils have everything they need to succeed. When a request is made, she responds in a timely manner. Louise came to Acorn Park in September and has made a real difference.

The playground works are progressing well. We can see the new slide has arrived and there are goals and basketball hoops up. This weekend the swings are being relocated so we might have to play 'hunt the swing' on Monday!

Have a wonderful weekend.
