Acorn Park - Weekly Roundup

Good afternoon everyone,

It has been lovely to welcome back all of our students and to say hello to some new faces. If you're new to us (students and parents alike) – welcome!! We hope you all had a lovely break and are feeling refreshed for 2025. Or maybe some of that relaxation and refreshment came this week!

The students have settled into their routines impressively well, so much so they looked like they hadn't had any time off.

Well done to our year 9 students that had their Meningitis vaccinations this week, 5 out of 7 were able to

We had a few students bring new/ top ups of their medication into school this week, in order to make sure we can store and administer them safely, here is a reminder of our policy:

Medication must:

- be in the original packaging (preferably unopened/ full pack)
- be given to a member of staff (they can't be kept in bags or on the student)

If you have any questions, please get in touch with you child's teacher and they can advise.

We are proud to announce we have a new Assistant Head and she has started with us this week. Her name is Aziza Paylor and she will be responsible for Curriculum, Assessment and Reporting across the whole school. I hope you join me in welcoming her to our school.

Student Stars:

Care:

Stas M - noticed a car alarm was going off in the car park, he wrote the reg number down and took it to reception so the owner would know.

Strive:

Dylan W - has spent the whole week in class and completed all of his work with a smile on his face!

Grow:

Jude A - has engaged and completed different English activities independently all week!

Maverick B – for fantastic positive interaction with peers.

Thrive:

Luca K - for passing his grade 1 in Rebound Therapy in PE

Staff Stars:

Care:

Lily D - for encouraging young people in Walliams in such a calm manner during the vaccinations

Paige P – for taking so much time out of her own time to teach a new staff member new skills to help them thrive in their role. She always makes sure they feel valued and constantly checks in with how her staff are as well as always encouraging them to give their own ideas. Thanks for being a truly incredible teacher.

Strive:

Aziza P - for building some great relationships with staff and students already since starting this week as Assistant Head.

Grow:

Lisa W - for making the move from semi-formal to formal to continue the support of students and adapting flawlessly to her new pathway, despite being very new to Acorn Park.

Thrive:

Ricky H and Kirsty A - for providing excellent and informative CPI training, which will help staff to Thrive in their roles, when supporting our young people who are struggling.

Wishing you all a lovely weekend,

Adam
