Acorn Park - Weekly Roundup

Good afternoon everyone,

What a lovely week we've had with lots of sunshine, just in time for some rain this weekend.

It was great to see those in purple on Tuesday for CE awareness day.

I had the opportunity to spend some time with our youngest students today, Potter class, and it was so much fun! I joined them for some time outside, they were all engaging in different activities and were having the best time in the sunshine.

We are busy planning our last day of term and booking in various activities for the day. Please do complete the form here - [Easter & Ofsted Celebration](#) to let us know if you're coming along.

Year 9 are studying Harry Potter and the Cursed Child in English. This week they tried their hand at potion making and created all sorts of new potions which they gave Latin names and wrote full recipes for.

Year 11 made millionaires shortbread and apple crumble pie in their session in the Life Skills house with Charlie this week. Their baking will be for sale in the cafe on Friday.

We have some events coming up (please see our events page for details):

25th March – Parent/ Carer community group - Norwich

25th March – 6th Form open evening (please register your interest in the event details if you are planning on coming along).

28th March - Parent/ Carer community group – Lowestoft

4th April – Easter and Ofsted celebration (event put on today). We have reached out to taxi companies about an earlier finish, so please complete the form in the event details to help us identify where taxis are still needed.

One of our students, Sapphire, is putting on a bingo night as part of her Brownie group. I've attached the flyer in case anyone fancies joining them.
