Acorn Park - Weekly Roundup

Good afternoon everyone,

And just like that March is almost finished! The students have continued to work hard in school this week, striving to fulfil their potential. It's been fantastic seeing so many children enjoying the sunshine, including trying to work out how many of them will counterbalance 2 adults from one side of the see-saw! Big smiles all round.

The 6th form held an open evening this week for our Year 11 students. I will upload a summary of the event in another post (Dojo won't allow me to add photos and PDF files in the same post!)

We've had a number of trips heading out this week. Lawrence played at Gravity, Kerr visited Baylham Farm and one of our students travelled to Southwold!

This week there was a new special lunch option – Bacon, brie and cranberry paninis! Oh my word they were delicious.

Looking ahead to next week:

Please complete the form here to let us know if you are taking your child home after the Easter celebration or whether they will need their regular taxi. We have shared the information provided so far, but if you haven't completed the form yet, please also share this with the taxi driver so they know! <https://forms.office.com/e/cVYEZHur8x> - thank you if you've already completed.
